To whom it may concern,

The National Barrel Horse Association or NBHA, as it is known around the globe, is the recognized world leader in the sport of barrel racing. The NBHA was the first organization to give credence to divisional barrel racing. From day one all competition was scored by division with the fastest time being the 1D (or 1st division) and other divisions being paid out in half second increments. The NBHA provides a place for all skill levels to compete.

Each state is broken into districts, each district is in charge of their own members, shows and awards. The MI05 district specifically covers shows throughout the following counties; Allegan, Barry, Eaton, Van Buren, Kalamazoo, Calhoun, Berrien, Cass, St Joseph, Branch & Hillsdale.

Our district is looking for sponsorships within our region to raise funds for added money to shows, year-end awards and prizes throughout the season. We would greatly appreciate it if you would consider donating products and/or choosing to be one of our level sponsors. Attached you will find our district sponsorship form along with our state sponsorship form with each level's offers written out (there is an option to sponsor both and receive a bump up in levels for the district).

Thank you for your time and consideration for sponsoring this amazing organization.

PEEWEE SPONSORSHIP FORM

To whom it may concern,

The National Barrel Horse Association or NBHA, as it is known around the globe, is the recognized world leader in the sport of barrel racing. The NBHA was the first organization to give credence to divisional barrel racing. From day one all competition was scored by division with the fastest time being the 1D (or 1st division) and other divisions being paid out in half second increments. The NBHA provides a place for all skill levels to compete, including different age classes for the young and young at heart.

The MI05 district specifically covers shows throughout the following counties; Allegan, Barry, Eaton, Van Buren, Kalamazoo, Calhoun, Berrien, Cass, St Joseph, Branch & Hillsdale.

Our district is looking for sponsorships within our region for our PEEWEE class. This class is for ages 9 & under and does not benefit from the NBHA award money that our other classes do, though every child that enters this class does receive a prize for making their "run". This is where you come in, we are looking for meal gift cards, free ice cream coupons, personal pizza coupons etc. So far this year we have roughly 20 shows scheduled for this season, last season we had roughly 20 peewee members competing throughout the year.

Thank you for your time and consideration of sponsoring the amazing children in this organization.
